### **New SunriverLodging.com Website**

The main objective to redesigning the website was driven by the need to make reserving online easier! We have improved the presentation of Sunset's Vacation Homes & Condos. There is an easy to find BOOK ONLINE NOW button located on the top right on all pages on the website.

#### **New Features:**

1. Updated online booking interface.  
The updated online booking interface is user friendly, easy to navigate, includes an advanced search to search for homes with specific amenities.
2. A prominent BOOK ONLINE BUTTON is located at the top right of every webpage, next to the phone number. Easy to find BOOK ONLINE NOW button with phone number.  
Visit the property's individual pages to view ALL images and details.
3. There are multiple places to BOOK ONLINE, SEARCH VACATION HOMES and VIEW LODGING SPECIALS. Main navigation with drop down menus, home page images, & links from the individual property pages.
4. Individual Property Pages displays the details, rates and images of the homes/condo.  
The availability calendar and online booking feature for each property is located after the property images.
5. Google Maps have been added to the Sunriver Street Index Page and to all the property pages. Simply click on "Map It" to view the exact location of the vacation home or our Village Mall office. There is a feature where you can easily get driving directions.

In the near future, the Sunset Owners Section will be redesigned & additional features in the website will be included. If you have any questions/comments, please email or call Clarissa Naling. [clarissan@sr-sunset.com](mailto:clarissan@sr-sunset.com) - 541-593-5018
